

Parallel compression connectors, KLZ

FEATURES & BENEFITS

connector Cu, with galvanic tin plating, to make "parallel compression" cable connections

LOGISTIC DATA

Quantity in package [pcs] 100

MECHANICAL DATA

Material Cu

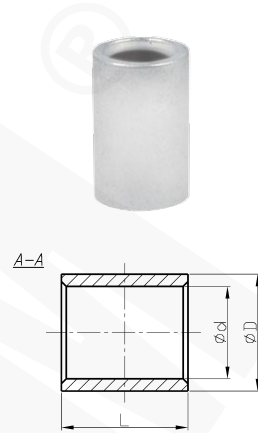

Surface tin-plated

CRIMPING SHAPE

Number of crimping - narrow 1-1

CERTIFICATES & STANDARDS

Design DIN 46341 part 1, type A

Type	Index Ergom	Cross-section [mm ²]	L	d	D	Weight [kg]
KLZ 1 (100 PCS)	E11KM-02070100101	0,5+1	8	1,6	3,2	0,05
