

## FEATURES & BENEFITS

- popular crimping tool for uninsulated terminals
- separate crimping sockets for each cross-section; "notched" and "double notch" crimping shape
- ratched mechanism ensures repeatability of terminal crimping results

## LOGISTIC DATA

Type	WZ 10/1-6
Index Ergom	E06PZ-03020100101
Weight [kg]	0,6

## MECHANICAL DATA

Mechanism type	Standard
Length [mm]	225

## CRIMPING

Socket code no.	Cable cross-section [mm <sup>2</sup> ]	Terminal group	Crimping shape
1	1-1,5	KO, KW, KI, KOR, KL	indent
2	2,5	KO, KW, KI, KOR, KL	double notch
3	4-6	KO, KW, KI, KOR, KL
