

## FEATURES & BENEFITS

- compact size provides increased mobility of installer maintaining full quality of crimping
- one crimping socket for entire cable range; "square" crimping shape
- crimping tool for cord end terminals with circumferential die movement

## LOGISTIC DATA

Type	PK 6R/0,08-6
Index Ergom	E06PZ-01090500101
Weight [kg]	0,3

## MECHANICAL DATA

Mechanism type	Standard
Length [mm]	155

## CRIMPING

Cable cross-section [mm <sup>2</sup> ]	Terminal group	Crimping shape
0,08-6	H...ERHN, HI...ERHL, HIG	square
2x0,5	HI 2x	square
2x0,75		
2x1
