

## FEATURES & BENEFITS

-  equipped with one flat and round cable insulation stripping socket, automatically adjusting to cable insulation thickness
-  visual indicator for stripped insulation length
-  cable insulation cutting depth can be pre-set, and insulation is removed automatically after incision
-  light design for workshop applications

## LOGISTIC DATA

|             |                   |
|-------------|-------------------|
| Type        | STRIPPER/0,08-6   |
| Index Ergom | E06NZ-01030100101 |
| Weight [kg] | 0,17              |

## MECHANICAL DATA

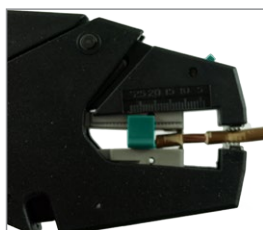

|             |     |
|-------------|-----|
| Length [mm] | 200 |
|-------------|-----|

## REMOVING INSULATION

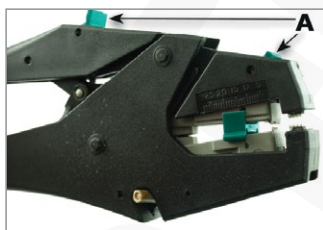

| Cable cross-section [mm²] | Cable type                                     |
|---------------------------|------------------------------------------------|
| 0,08÷6                    | Multi-wire flexible conductors                 |
| 0,5÷4                     | One-wire solid conductors                      |
| 0,75÷4                    | 2 and 3 core flat and round wires PCV sheathed |

## CUTTING OFF

|                                | Max. diameter of cut off cable [mm] |
|--------------------------------|-------------------------------------|
| Multi-wire flexible conductors | 5                                   |
