

## FEATURES & BENEFITS

-  terminal plates for mounting cables with SM, SE, RM, RE profile conductors
-  cables with multi-wire conductors can be connected directly
-  made of tin-plated copper; compatible with V (single or double) type terminals

## LOGISTIC DATA

Quantity in package [pcs] 12

## APPLICATION

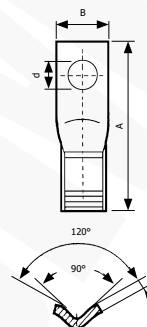

Connecting V (single or double) clamps to busbars and flat terminals.

## MECHANICAL DATA

Material galvanised copper

## CERTIFICATES & STANDARDS

Standards EN 60947-7-1 (IEC 60947-7-1)
