

Protective earth (PE) screw terminal blocks, ZUO type

FEATURES & BENEFITS

- clamps made of high-quality brass
- mounting on TSE 35 rail
- pressure screws made of galvanized steel
- cords up to 35 mm² can be connected directly

MECHANICAL DATA

Colour	yellow-green
Body material	polyamide
Bolt material	galvanized steel
Clamp material	tin-plated brass
Operating temperature [°C]	-25 ÷ +100

ELECTRICAL DATA

Rated insulation voltage U _i [V]	690
Electric strength [kV/mm]	6

CERTIFICATES & STANDARDS

Flammability class	UL 94 V2
Standards	IEC 60947-7-2
