

Twist-on wire connectors, ZS type

FEATURES & BENEFITS

- easy and fast cable connection
- electrically and mechanically reliable connection
- small size facilitating installation on flush-mounted boxes

LOGISTIC DATA

Quantity in package [pcs] 100

Facilitate joining conductor core ends by twisting

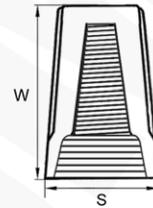

MECHANICAL DATA

Number of connected cables for cross-section 6 mm² -

Insulation material polyamide 6.6

Connector material Cu

Ambient temperature [°C] -25 ÷ +55

CERTIFICATES & STANDARDS

Flammability class UL 94 V0
